EPSILON MU STILL #1 ON FRATERNITY ROW

THE EPSILON MU CHAPTER OF KAPPA SIGMA WAS SUCCESSFUL IN ANOTHER YEAR OF FORMAL RECRUITMENT. THIS YEAR, THE UNIVERSITY OF TULSA SAW THE LARGEST NUMBER OF FRESHMEN IN HISTORY PARTICIPATE IN FORMAL RECRUITMENT. THE MEMBERS OF KAPPA SIGMA WENT TO WORK TO RUSH WHAT IS TURNING OUT TO BE A GREAT CLASS OF FUTURE KAPPA SIGMAS. THE RECORD TURNOUT AT FORMAL RECRUITMENT IS A WIN NOT ONLY FOR EPSILON MU, BUT ALSO FOR THE ENTIRE GREEK SYSTEM, FOR SUCH RECORD NUMBERS ENSURE THAT EACH OF THE HOUSES HERE ON CAMPUS CONTINUES TO BE A STRONG AND POSITIVE PRESENCE HERE ON CAMPUS.

FORMAL RECRUITMENT WAS HELD THE WEEKEND OF SEPTEMBER 28TH. KAPPA SIGMA FINISHED IN 2ND THIS YEAR IN FORMAL RECRUITMENT. KAPPA SIGMA SIGNED **28** YOUNG MEN INTO PLEDGESHIP AND WE STILL MAINTAINED OUR STATUS AS **# 1** ON FRATERNITY ROW IN OVERALL MEMBERSHIP WITH A LARGE AND COMFORTABLE LEAD. THE ACTIVE MEMBERS OF KAPPA SIGMA ARE EAGER TO BEGIN PLEDGESHIP AND INITIATE THESE FINE YOUNG MEN IN OUR FRATERNITY.

LETTER FROM THE EDITOR

Greetings Brothers! Kappa Sigma is making great strides on campus to continue to grow and remain the number one fraternity at the University of Tulsa. On behalf of all of the other active Brothers in the house, I think I can say we are very proud of the results from this year's recruitment and excited for the potential success that lies ahead. Kappa Sigma is currently the largest Greek organization on campus and because of the hard work of all of the actives; we will continue to remain in that position in the years to come.

I encourage all active and alumnus Brothers to attend the tailgate, which will be happening before the Homecoming football game on Saturday, October 16th. It will be a great opportunity for Kappa Sigmas young and old to socialize and get to know each other better. I hope you would all strongly consider attending the tailgate and then go cheer on the Golden Hurricane to victory against Tulane.

THE DATE FOR HOMECOMING!

OCTOBER 16TH, 2010

MARK YOUR CALENDARS!!!

The Men of Kappa Sigma will be getting the house ready for another Homecoming year. The yearly golf tournament will be held in the morning as usual and the barbecue will be held in the afternoon from 3pm to game time that night. Tulsa plays Tulane this year for Homecoming. There is one extra surprise this year that the housing corporation is putting on but you will have to come to this year's festivity to find out.

THE KAPPA SIGMA HOUSE GETS A WORK WEEK TOUCH UP

During workweek this year the brothers of the house had a lot to do for workweek. During workweek the house got some much needed touch ups in certain areas. The third floor was repainted and cleaned thoroughly, all the carpets cleaned, all the sidewalks cleaned, all the landscaping around the house redone and new trees were added in the front and back of the house. Another major change is the new fence at the back of the house with the new bushes placed there as well. All of the doors and frames to the rooms of the house have been ripped out and metal frames and new solid wood doors have been added. Also, the big table in the dining room has seen better days so some of our undergraduate mechanical engineers made a duplicate table which will be able to last another 10 years like the last one. The house is looking good and the every room in the house is full this semester.

LETTER FROM THE GRANDMASTER

I am happy to announce that Kappa Sigma is continuing its long-standing tradition of excellence in every facet. We have formally pledged 28 quality members, members who we believe will be active leaders on campus and in our community. This continues our tradition of being the largest and most influential house on the row. We also have new goals for both academics and ritual proficiency. Our minimum GPA requirement has been raised; promoting an increased dedication to scholarship that will give us the highest cumulative GPA for any fraternity at the University of Tulsa. Ritual proficiency has become an increased priority as well. We are hoping to make Epsilon-Mu as close to 100% ritually proficient as possible, cementing our status as a model chapter that some may equal but never excel. The F.A.C.E award is in our sights, and we will do whatever we can to achieve it. Our stellar pledge class and positive changes show our dedication to the advancement of Epsilon-Mu for this year and many years to come. It is a great time to be a Kappa Sigma at the University of Tulsa, and I look forward to what the rest of this year will bring.
